BISQUET BALOU

CONFORMATION AND TECHNIQUE

His brilliant sport career with N. Philippaerts and the quality of his first offspring led him to be awarded the title of «BWP Ambassador». He passes on nice conformations, strong bodies and a very good technique. He is currently under the spotlight with several offspring jumping at 5* level with Laura Kraut, Kevin Staut, Harry Charles...

CANDY DE NANTUEL

FLEXIBILITY AND BALANCE

He is currently reaching high level competition with P. Leprevost and the quality of his progeny led him to be ranked 2nd best stallion for young horses in France. The oldest are now aged 6 and show as much energy and elasticity as their sire!

FLEXIBILITY AND LOCOMOTION

He is the only Sire in the World who features in the World's Top Stallions rankings in 3 disciplines! His name has been featuring for 10 years in the CSO ranking, and in the TOP 5 Eventing ranking after remaining world's #1 for a total of 5 years. As for Dressage, he jumped to the Top 100 ranking. His offspring are modern, stylish, and boast an excellent technique and locomotion.

CORNET OBOLENSKY

ENERGY AND TECHNIQUE

He has been ranked amongst the world's best sires for several years and brings a lot of carefulness, elasticity, a good technique and explosivity. His new generation of offspring born since he retired from competing led him to be ranked best Sire in the World Championship for Young Horses in Lanaken. CORNET'S PRINZ

CONFORMATION AND CAREFULNESS

Cornet Obolensky's son and a grandson of the champion Almox Prinz, he is graded 10/10 for his conformation at 3 years of age. CORNET'S PRINZ was a finalist in the 7 year-old World championships in Lanaken with Guido Klatte Jr, finishing 19th of his generation. His progeny is highly promising with several winners at international level, in young-horse classes and studbook licensing shows.

EDEN DU ROUET

BLOOD AND STRENGTH

He carries the genes of the amazing stallions Chacco Blue and Baloubet du Rouet, along with the damline of Baloubet! His first offspring show size, elegance and a very good locomotion. He himself is starting international competitions with great ambitions and has won his first ranking classes this year!

HELIOS D'HELBY

TECHNIQUE AND SUPPLENESS

He is one of the most popular young stallions in France. He combines the genes of Cornet Obolensky, Carthago and the Anglo-Arab Rex!
He is extremely elegant and careful, shows a lot of energy, and his front jumping technique is excellent.

HERALD III

BLOOD AND LOCOMOTION

As popular in France as in the Benelux, our «almost Thoroughbred» represents a great opportunity for bringing back blood in showjumping horses without losing the aptitude. He also seduces breeders of Eventing horses.

THE NEW PAX BREEDING ADVICE PROGRAMME

The new PAX – Breeding Advice Programme allows you to compare several stallions with your mare.

The PAX Express version of this programme enables you to easily compare 2 stallions according to the 11 most frequently used criteria and provides you with a result based on as little as 3 filled criteria. You can also sign in to the PAX Programme in order to access a more in-depth study and increase the number of stallions, register your mares, obtain the PAX suggestions and the graphic output, and use the Reverse PAX.

You will also find on each stallion page of our website the characterization that we drew up with for each one. This characterization is refined every year based on the data collected on our stallions' progeny. Our teams are at your disposal to help you characterize your mares and use the program as efficiently as possible.

It is now up to you to start using the PAX!
